IV) Review of minutes from March 21st 2022 and acceptance

Motion by Gonyea to accept minutes as printed, second by Eaton. Motion carried.

V) Old Business

We received information on Tiny House and Domrase was not able to locate information on zoning for bird rehab.

VI) Vote:

We did not vote March 21st at our organizational meeting due to two members being absent.

Motion by Gonyea to keep the seat the same was second by Eaton, vote passed 5 yes 0 no. All positions will remain the same.

VII) New Business

Rich will reach out to Deirse Klein at NEMCOG about zoning information on the bird rehab facility.

Gary Stephan shared that there will be a work be at Shin-ga-ba- shores to spread the mulch at 6:00 PM. It mentioned about the repairs to the chains, and swings and the bouncy bridge.

Kevin Dekeyser did turn in a special land use permit for an Adult use Marajunia shop. The deadline for the 30 days expires on Friday June 20th.

John Moran asked about dumpsters being in front yards, and the year round garage sales, the lack of upkeep on houses, (peeling paint and moss growth) and the concern for trash cans being at the end of driveways for days. It was stated that the township can not tell people when they can put their trash cans out to the road, or dumpsters. We would look into the garage sale concerns as the one he was talking about was more or less a flea market. As for the upkeep on houses we will discuss this at a later meeting.

VIII) Special meeting scheduled

June 6th at 7:00 PM we will have a special workshop meeting to discuss the zoning on Solar Energy, Tiny Houses, and Bird Rehabilitation. Public Hearing will be June 20th for Adult Use Marajunia

Adjournment

Motion to adjourn the meeting until June 6th was made by Domrase, second by Gonyea. Motion passed, meeting adjourned at 8:00 PM

Respectfully Submitted
Secretary Jenny Domrase
