VII) Public Comment

Owner of Ossineke Marina Mark Ankner asked who is responsible for having the mouth of the river dredged? And if we have talked about having this completed. He has looked into it and was given a price but wanted to know if it's the township responsibility or the DNR responsibility. He was advised to go to the Township meeting in February to present that to the board. Domrase will contact Huron Pines, EGLE and Army Corps of Engineers. Ankner also has concerns about the fence a renter placed on Township property in the trailer park. John Moran sent a citation to Nicole Welsch regarding the fence being in violation, the fence must be 4 feet all the way to the front corner of her house, and it is not.
